

## What is it?

The National Youth Event, a UCC gathering held every four years, provides an opportunity for about 3000 youth to gather for four days of worship, workshops, faith, fun and fellowship.

## When is it?

The next NYE will be held at the University of Tennessee in Knoxville from July 24 – 28, 2008. The event will commence Thursday evening with dinner at 5pm, followed by opening worship. Friday, Saturday and Sunday will be filled with opportunities for worship, workshops, recreation and fellowship. NYE will conclude with closing worship on Sunday evening. Monday morning we check-out from campus dorms and travel home.

## Who can go?

NYE is for youth ages 13 – 18, their youth advisors and chaperones.

## Who plans it?

It is planned by the collaborative efforts of UCC Local Church Ministries, Worship and Education Ministry staff and a National Youth Event Planning Committee comprised of a diverse group of youth and adult volunteers.

## How much does it cost?

The per person estimated cost of the trip is \$550.00 which includes the registration cost for NYE, transportation and trip per diem, accommodation and meals from Thursday night through Sunday night. (Transportation cost is based on 50 filled seats on the bus)

## Where can I find more information?

We encourage you to save the date and check [www.ucc.org/youth](http://www.ucc.org/youth) for updates on NYE 2008. We will soon be adding a video about NYE to our site, so you can watch it and share it with friends, family and your youth group!

## When can my church group register?

Registration is scheduled to open in late February 2008.

## Is there an early registration available?

No, we regret not being able to provide an early registration time. In 2004, NYE registration was followed by a separate workshop registration process. To alleviate the confusion and difficulty of having two separate registration processes, this time we are streamlining the registration process which will take extra time and eliminates the possibility of early registration.

## What should we do to prepare for NYE?

1. Tell your youth group about NYE if they don't already know!
2. Begin fundraisers to help offset the cost of your trip!
3. Help your youth group make a short video explaining "Why we're going to NYE 2008" and post it to <http://www.youtube.com>
