Mother-Daughter Retreat

This special gathering began in 1991. Through the years many have returned because of the opportunity to spend quality time together as a family—mother/daughter, adopted parent/child and grandmother make it three generations in some cases. We'll worship, sing, laugh, eat, and play together in this beautiful setting. This is a good time for youngsters to come to White Camp with Mom or Grandma to get acquainted – then they'll be ready to come to their age camp. (You will be asked to bring food items to share for meals and snacks. We'll divide this among those who register for the event.)

Many sources of fun such as crafts, study, recreation, worship and group activities are featured. There is one counselor for every three campers, so the camp is very personal and the campers are able to personally experience the love of Christ in others and enjoy **God's beautiful Kansas Outdoors!** Experienced directors provide insightful leadership and love in these special groups.
